Mount Kato Ski School

The Mount Kato ski school takes pride in offering their students instruction using the latest techniques for ski and snowboarding. The four main goals of the Mount Kato ski school is for each student to have a safe, interesting, educational and fun experience. The students goals and achievements are our priority.

DETERMINE YOUR ABILITY

Level 1: Let's Get Started!

We will show you the basics of skiing and snowboarding. Walking, Climbing, Gliding and how to stop.

Level 2: Learn to Turn!

Learning the basics of turning will help you with speed control and changing direction.

Level 3: Riding the Lifts!

We will show you how to load, ride and unload the lifts safely. This will allow you to explore more of the ski area.

Level 4: New Challenges!

We will begin to explore more challenging trails. You are gaining confidence and beginning to parallel ski or snowboarders are starting to carve.

Level 5: Explore Terrain Changes!

We will explore more of the blue runs and some terrain changes; building on the skills you already know. Your parallel turns or snowboard carving skills are coming along great.

Level 6: Time to put it all together!

We will explore the entire ski area. Developing more timing and rhythm to your turns, adding to your success.

Level 7: Explore the Challenges!

Experience what Mount Kato has to offer; bumps, carving, racing. We will challenge your skills. Experience the thrill of skiing and snowboarding.
